

Support Connection's mission is to provide emotional, social and educational support services to women, their families and friends affected by breast and ovarian cancer. The support provided enables women to help each other and empowers them to become their own healthcare advocates.

We've been there. We care.

Dear Paul,

On behalf of all the people who utilize Support Connection's free, confidential breast and ovarian cancer support services, thank you for participating in our 14th Annual Gala and Silent Auction held on April 16th. Your generous donation of a *Painter for a Day* to our Silent Auction helped us raise money to support our programs.

Since our doors opened in 1996, thousands of participants have utilized our services. The demand continues to grow. Your generosity insures the continuation and enhancement of our personalized counseling and support programs.

As our way of thanking you, your name was included in our Gala Journal and listed next to your donation. Once again, thank you for your kindness. You are helping us make a difference in the lives of people affected by breast and ovarian cancer.

Gratefully,

Michelle Deleso
