

New England Home
CELEBRATING FINE DESIGN AND ARCHITECTURE

Connecticut - Fall 2011

**A. G. Williams
Painting
Company** recently

donated \$15,000 in
painting services to the
first Greenwich-area
recipient of its “Home in

Need” program. The home of Sergeant Roger Petrone, a veteran
of the Greenwich Police Department who was diagnosed with ALS
five years ago, got a bright new interior paint job that included a
new look for Petrone’s eight-year-old daughter’s bedroom.
