

Client Responsibility

Interior Painting Checklist

- If necessary, please disconnect wiring from computers, video, TV and stereos. Client is responsible for reattaching these connections.
- If you have a wall mounted television, remove the TV from the bracket prior to our arrival.
- Remove and store any items on the walls in the areas that we are painting.
- Clear off counters, tables, dressers and shelves of all items.
- If closets are being painted, please have them emptied prior to our arrival.
- If pictures or wall hangings are on the walls and you are keeping them in place, please remove the pictures but leave the hardware in place. If you are moving the pictures, please remove the picture and the hardware, so we know that we are to patch these holes for you.
- Please remove contents from any cabinetry that is to be painted.
- Grandfather clocks and pianos should be secured or removed from the area to be painted.
- Take down curtains, draperies, etc.
- Make any necessary arrangements for pets.
- For your comfort, if you are sensitive to odors (or if anyone is pregnant) you should try to make arrangements to stay away from the jobsite for the duration of the job.
- Please leave phone numbers and contact information where you can be reached during the day.
- Please allow time to perform a walkthrough with your crew leader at the beginning of the project and on the last day of the project.
- If you are unable to perform any of the items on the checklist, please contact us and we will be happy to make arrangements with you.
